Design is not about the latest materials, perfect stitching and trendy colours ...

Design is something that allows an individual (woman ☺) to bring their dreams to life.

KOKO ROCKING ARMCHAIR

Design: Helena Dařbujánová

2010

KOKO is a rocking armchair or if you like, the Bonnie female cousin to the MOMO sofa.

With each swing back and forth, more and more memories will come flooding back of the sweet-smelling river, an everlasting blue horizon, a jar of pickled sausage, of a whimsical summer with fresh lemonade...
