Design is not about the latest materials, perfect stitching and trendy colours ...

Design is something that allows an individual (woman ☺) to bring their dreams to life.

LOLA WOMEN'S BOUDOIR

Design: Helena Dařbujánová

2011

The LOLA Women's Boudoir is a piece of furniture for women aged 1 to 100...

A house first for playing with teddies and dolls, for resting when ill, for writing poems, making entries in a secret diary, for long conversations with a cherished friend, for long hours spent catching up on the laptop...

And finally for reading books and solving crossword puzzles over a cup of tea...

The boudoir is available in a variety of materials and colours. The upholstery may be selected from a range of material collections. As its name suggests, the women's boudoir is first and foremost designed for private rooms, but it is also suitable for public spaces, for example cafés, libraries, reception desks, waiting rooms...

The LOLA 2 model with a suitably selected covering fabric is also fit for exterior use.
