AUDREY CABINET

Design: Helena Dařbujánová

2015

"Once upon a time" I saw a film Holiday in Roma with Audrey Hepburn and I have been feeling a strong emotion...

These feelings inspired me to create Audrey collection to share what I feel with another women and to the honour of Audrey of course.

Audrey Cabinet is the first tale of three parts' collection.
Combination of wood and pink decorated with a black velvet bow, a drawer is velvet upholstered and can be used for WHAT? My dear ladies, for jewels of course! I created also a special space for love letters which I wish you to receive many and many."
